Update through May 2017

What we've been up to.....

Formation of the USMC Memorial Foundation is complete! We are now formally a 501(C)3 charitable organization registered with the state of Colorado and the IRS. Contact us at phone or email listed above for more information.

We have possible donations of services in kind for several aspects of the remodel project but are in need of operating funds to move forward. Donations may be made by sending checks to the address above. Credit cards donations will be available in the next couple of weeks.

We are in the process of introducing the idea to the community through the Golden Chamber of Commerce and are working on presentations for philanthropic assistance and grants. Your ideas and help are greatly appreciated.

We will have a booth at the 40th Anniversary Celebration on August 26th as well. Hopefully a 3D model will be available for viewing.

The flyover video has been revised and where you see a pentagon currently, the final design will be an 8-sided figure to represent the utility cover unique to the Marine Corps. This will facilitate a brick project as well. That design decision was made in conjunction with leadership of the Marine Memorial Association – Barry Georgopulos recommended the 8-sided position and agreed a great idea!

Moving forward we'll be looking at supporting the 40th Anniversary as well as seeking funding sources.

Jefferson County, CDOT, and Golden have all endorsed the project. Look for further updates in this spot!
