TODAY WE ARE PAYING SPECIAL REMEMBRANCE TO

**SarahJanae ThiKimLien Shepherd
22 June 1996 – 14 September 2017**

SarahJanae ThiKimLien Shepherd was born in Tuy Hoa, PhuYen Province, Republic of Vietnam, on June 22, 1996. In March 1997, her sister JulieMarie Shepherd and mother Lucky Clark flew to Vietnam to have Sarah join their family and bring her home to Aurora, Colorado. She attended Vassar Elementary School, Aurora Hills Middle School, Aurora Quest K-8, Hinkley High School (freshman and senior years), Wentworth Military Academy in Lexington, MO (sophomore and junior years), and graduated from Aurora Community College. She attended Faith Presbyterian Church in Aurora.

In her early years Sarah was involved in dance, gymnastics, and 4-H. She later participated in school sports (swimming, basketball, track, wrestling) and music (essentially teaching herself to play the cello and flute). She was an active volunteer in the community through involvement in 4-H, Sunday School, National Honor Society, Young Marines, Guide Dogs for the Blind, and Whiz Kids.

Sarah began official job searching when she turned 16. She first worked at Chuck E Cheese. She then worked several years for the City of Aurora at various community locations as a life guard, teacher and coach of swimming, and front desk receptionist. She liked those early morning hours so she could have the rest of the day free. She also worked the front desk at Highlands Ranch Community Association.

On **13 February 2015** Sarah took her oath of enlistment into the United States Marine Corps and in June headed to Parris Island, SC, where, after 13 weeks of boot camp, she graduated as a PFC on 9/11/2015. She attended job training at Camp Lejeune, NC. She returned home to become part of the Combat Logistics Battalion 453 reserve unit at BAFB, with which she was able to do one Annual Training in June 2017, at Twenty-Nine Palms, CA. She was posthumously honored with the Certificate of Commendation for “exceptional performance of her duties” there. On January 26, 2018, LCpl SarahJanae Shepherd was recognized at the Colorado House of Representatives on Military Appreciation Day.

As a Marine she was in supply; however, as a reservist she worked several months in fiscal at Buckley Air Force Base. Sarah also was a staff member at Buckley Field Young Marines. Sarah began her first full time “adult” job at Bonfils Blood Bank in July 2017. She had completed and passed her nine-week training as a phlebotomist the day she died.

Sarah had a light-hearted, fun spirit which lives on today. She readily took the side of the underdog. She enjoyed helping and caring for her friends. And, oh, what a smile! Her motto likely would have been “Stay Classy!” Her name Sarah means princess, which she considered herself; Janae means blessing, which countless others consider her to be.

Some of her favorite things (not in rank order) that many will remember about her include reading, tattoos, pandas, Starbucks, swimming, Michael Kors, makeup (and makeup and makeup), eating out, shopping, her motorcycle (and her cars), social media, friends, her dog Alvin (now attached to her sister), and international travel. Over the years she had expressed a desire to someday visit Vietnam. Last year she made it to two of her chosen destinations: Switzerland and San Francisco.

SarahJanae is predeceased by a brother Christopher (Hoa) Shepherd, her grandmother Peggy Shepherd, and a cousin Michael Wilburn. She is survived by her mother Royce Elaine (Lucky) Shepherd Clark and a sister JulieMarie A. Shepherd Macklin and brother-in-law Michael Macklin.
